

TACOMA

CREATES

The **FOUR** things you need to know.

1

Engages youth, supporting their social and emotional well-being and development — improving chances of attaining a higher level of education. All of which is extremely beneficial to our overall community.

2

Expands access for all Tacoma residents to the city's cultural organizations by reducing financial barriers — from free tickets to discounted membership rates to free community festivals.

3

Supports neighborhoods with increased programming in schools, community and senior centers; with local celebrations, festivals and fairs; and with sustainable cultural assets, support for creative jobs and increased tourism.

4

Builds on and **leverages investments** made in Tacoma — from Tacoma Public School's Whole Child Initiative and Metro Parks Tacoma's Access Pass to public and private investments in the Theater, Museum and UWT districts, neighborhood revitalization projects and more.

If approved, *Tacoma Creates* will be funded by a sales tax increase of just one-tenth of one percent (one penny on \$10), expiring in seven years, beginning January 1, 2019. An average Tacoma household will pay \$13 per year.
